Principal's Message

Thanks to all staff and students for continuing to be so flexible as our renovations continued well into October. The school is much warmer now and I am confident that better heat and fresher air will more than make up for our adjustments to space and the noise of our new furnaces.

Students are commended for how they have dealt well with the strange weather we have experienced. That being said, families are reminded that unless it is raining it has to get a great deal colder before students will be staying inside for recesses.

Thanks to Ms. McBain and the volleyball girls for representing our school so well in the tournaments they have competed in. The Small Town Show Down is a great opportunity to see those girls in action. Please take it from me, as a dad who is in his last year of watching his kids in school sports, the time goes by way too fast.

The girls volleyball team has been practicing since mid-September and have participated in two tournament and an away game in Ethelbert. They have been fighting hard to improve and get better for their home tournament this weekend, Nov 3, and divisionals on Nov 14 & 15.
