## Principal's Message

Roblin Elementary School is a Kindergarten to Grade 8 School with a student population of approximately 345 students and teaching staff of 23. We are located on the western edge of Mountain View School Division. Roblin Elementary believes in student centered education and we are committed to providing quality education for all learners.

Roblin Elementary School is dedicated to the development of educationally prepared, productive, and responsible citizens. To do so, we have set goals to improve student learning in the areas of literacy, and numeracy. We also strive to educate our students about future careers and positive mental health. These goals are all met within a safe and caring school climate. Roblin Elementary also offers a wide variety of activities and programs to support and broaden the interests of all students. Our staff is committed to continuous growth and professional development.

At Roblin Elementary we all work hard every day to demonstrate STAR behavior! We believe in behavior that helps us to:

S – Stay safe  
T- Take responsibility  
A - Always be respectful  
R – Remember to be kind

Roblin Elementary believes in building strong partnerships and relationships. We encourage and welcome parental and community involvement. Please visit us, or give us a call, if you have questions. We are all stronger when we work as a team!

Mr. M. Rathgeber
