

Responses received at the public meeting held June 24, 2019.

The advantages and disadvantages listed below are not ranked in importance. Several comments were repeated and consolidated.

Sacred Heart/Smith Park	
Advantages	Disadvantages
<ul style="list-style-type: none"> ○ central location ○ easy to access ○ familiar location ○ great greenspace ○ no need to purchase buildings ○ space to add additional ○ city services; infrastructure ready ○ access to city bus ○ better traffic flow; potential to expand and use 13th off Warner ○ good size ○ existing playground ○ perhaps bussing behind school ○ don't have to buy land ○ large amount of land 	<ul style="list-style-type: none"> ○ parking issues ○ traffic flow, congestion ○ may lose greenspace; park space; relandscaping ○ relocate/loss of soccer field ○ safety concerns, disruption during construction and construction in playgrounds ○ will it require phasing with school in use? ○ walkability east of 9th ave ○ 12th ave already busy - need to widen ○ possibly finish 13th ave between Vaughn & Warner ○ infrastructure ○ lose outdoor skate rink & change building ○ not as accessible from all sides; street access ○ pick up/drop off ○ expanding would require various levels of approval; limited expansion ○ using Crown land? ○ costs to modify land ○ problematic for existing residents ○ school would be hidden by existing neighbourhood ○ smallest plot of land ○ challenge of 1000 students needing transportation and access
