Mapes Elementary had a terrific day at the District Floor Hockey tournament, played hard and demonstrated great sportsmanship. We are fortunate to have District wide coordinated athletic events that provide students with the opportunity to participate in a variety of sports from Volleyball to European Handball. It is extra special when parents come to watch and cheer us on. We look forward to the final two district events, the Primary Fun Run and District Track and Field, both to be held in May. As we head into the long Easter weekend I want to express my gratitude to the Mapes parent community for all you do to make this school a great place to be. Enjoy the time with your loved ones and Happy Easter.
