ORS had a wonderful visit from Brenda Krueger from the Terry Fox Foundation. Brenda spoke passionately about the legacy left by Terry Fox. She reminded students and staff about setting goals and working hard to achieve them. Her own story and the reminder about why our school participates in the yearly event was well received by our young citizens who want to make a difference. Brenda also left us a gift, an empty KFC bucket.

Similar to the original Marathon of Hope we will be using the bucket to collect donations on Friday before our annual run. Community members are welcome to join us at 1:00 pm as we make our way east down the old track line.
