Would you like to host a student teacher?

Many of you already know that we're expecting 19 student teachers from UBC to visit our district this spring. They are new grads that are part of UBC's Education Department Community Field Experience Program. This program provides an opportunity for grads to live in a rural community for 3 weeks to experience rural schools and small town life.

The secondary group will be in our district April 23 - May 10, 2019. The elementary school group will be here from June 10 - June 28, 2019.

We are looking for host families who are interested in taking in one of these students for the duration of their 3 week visit. Each host family will be given \$ 500 in district funds to assist with the cost associated with this visit.

This experience provides districts like ours with a new and exciting way of recruiting. We look forward to working with you to place these students throughout our district.

If you would like to host a student teacher contact: **Donna Benson**
