Principal's Message

Brrrrrr!

Thanks to all students and staff for dealing with our Manitoba winter so well. Our 5-8s have managed to enjoy some gorgeous days outside on the skis and snowshoes and thanks to parent volunteers and community members the K-4s have been able to practice their skating indoors.

Basketball practices have been going well and the students will be challenged on the court in some upcoming games and tournaments. Thanks to Ms. McBain for all her work coaching and organizing.

Mrs. Oversby and Mrs. Precourt have already met with Gr 5-8 students regarding our spring drama presentation. I am pleased to report that they have selected a play and students will soon be provided with opportunities to practice and then tryout for individual parts.

Parents are encouraged to attend our next PAC meeting on February 5th. The group has some fundraising ideas, community activities and some school promotion plans in the works. Your input would be appreciated.

The grades 6-8 girls basketball team headed to Roblin on Jan 26th and played in a four team tournament! They got their first win of the season in their first game against Roblin, lost in a great game against Minitonas and narrowly lost to Swan River in a nail biter game! The girls played extremely well over the course of the three games and are already showing improvement! The next tournament is scheduled for Feb 23 in Minnedosa!
