

WHISTLE-BLOWING PROTECTION

Background

This Administrative Procedure addresses the commitment by the District to integrity and ethical behaviour by helping to foster and maintain an environment where employees can act appropriately, without fear of retaliation. Employees are strongly encouraged to discuss with supervisors, managers or other appropriate personnel, when in doubt, about the best and ethical course of action in a particular situation.

Procedures

1. It is the duty of every member of staff to speak up about genuine concerns in relation to criminal activity, breach of a legal obligation (including negligence, breach of contract, breach of administrative law), miscarriage of justice, danger to health and safety or the environment, and the cover up of any of these in the workplace. This duty applies whether or not the information is confidential.
2. The District is committed to ensuring that any staff concerns of this nature will be taken seriously and investigated in a manner deemed appropriate by the Superintendent. A disclosure to the Superintendent will be protected if the member of staff has an honest and reasonable suspicion that the malpractice has occurred, is occurring or is likely to occur. A staff member who raises a concern reasonably and responsibly will not be penalized in any way.
3. Staff members are encouraged to raise any genuine concern directly with the Superintendent, who will inform the Board of the disclosure. However, staff members may raise the matter directly with the Board Chair if circumstances prevent a disclosure to the Superintendent.
