

PURCHASING

Background

Purchases are to be made with consideration of best value which includes all aspects such as cost, quality, supply, servicing, maintenance, local availability and environmental impact.

When the value of a purchase is such that the tendering process is administratively justifiable, tenders will be awarded on a competitive basis with consideration to all of the above aspects.

Procedures

To ensure as far as possible that the best value is obtained for dollars expended, all personnel who are delegated some responsibility for purchasing will observe the procedures provided below.

1. General Guidelines

2. Use of Purchase Orders

- 2.1. All supplies, services, and equipment being purchased over one thousand dollars (\$1000) must be covered by a Purchase Order initiated by a Principal or District Supervisor. Individual staff members are not to place orders other than by this method. This requisition is in a form that becomes a purchase order when signed by the Secretary-Treasurer or designate. The only exceptions to this requirement are as follows:

- 2.1.1. Purchases may be made through school trust accounts for home economics and industrial education consumable supplies, with reimbursement claimed by submission of a [Request for Reimbursement of School Trust Fund form \(Form 511-1\)](#) with receipts attached.
 - 2.1.2. Gases and fuel refills.
- 3. Exceptional Circumstances
 - 3.1. The Secretary-Treasurer may authorize the immediate purchase of any item or service without recourse to the provisions of this Administrative Procedure where:
 - 3.1.1. Staff, student or public safety is in question;
 - 3.1.2. Purchase will prevent damage to District facilities;
 - 3.1.3. Essential services will be restored; or
 - 3.1.4. Essential physical plant services will be restored.
 - 3.2. It is not necessary to tender or go through the quotation process for purchases of used items and legal services.
- 4. Determination of Suppliers
 - 4.1. Corporate Credit Card/Purchasing Card Program
 - 4.1.1. The Corporate Credit Card/Purchasing Card Program is not intended to avoid or bypass purchasing procedures as outlined in this Administrative Procedure. Instead, it is intended to provide flexibility and autonomy to the user while complementing current existing purchasing procedures and payment guidelines. Unlike personal charge cards, the P-Card Program incorporates controls over certain types of expenditures. These controls ensure that the P-Card can only be used with specific types of merchants and within specific dollar limits.
 - 4.2. Quotations Process
 - 4.2.1. Request for quotes can take the following forms:
 - 4.2.1.1. Written quotations from three or more sources in response to a written request. Responses may be submitted by fax, email or in person;
 - 4.2.1.2. Verbal quotations given by two or more supplier representatives, usually by telephone. Such quotations are to be recorded by the requester and retained with the purchase order.
 - 4.2.2. Quotations must be obtained for the following:
 - 4.2.2.1. Individual items costing over one thousand dollars (\$1000.00).
 - 4.2.3. All things being equal quality and suitability preference shall be given to local firms, then BC and then Canada. Local and provincial firms which have previously supplied the District will continue to be given the opportunity to provide quotations on items similar to those which they normally supply. Should a school or department wish an exemption from requesting quotes from previous suppliers, approval must first be obtained from the Secretary-Treasurer.
 - 4.2.4. Quotations must be solicited from a minimum of three (3) suppliers, except when less than three (3) are known. If assistance is required with the names of

potential suppliers, contact the Director of Operations, or Learning Resources Centre Personnel as appropriate.

- 4.2.5. Copies of quotations received must be kept with the purchase documentation for later verification.
- 4.2.6. The requisition must include the date of the quote and other pertinent details, such as whether or not delivery cost is included in the price. Incomplete requisitions will not be approved.
- 4.2.7. If quotations are obtained from less than three suppliers, or if purchase from other than the low bidder is recommended, a memorandum of explanation must be kept with the purchase documentation.

4.3. Petty Cash Administration

The use of Petty Cash will be as follows:

- 4.3.1. Petty cash will not be used without prior approval of the principal.
- 4.3.2. Petty cash will be reimbursed only if submitted with thirty (30) days of the purchase.
- 4.3.3. To reduce the administrative burden created by the use of petty cash, principals will set and monitor the limit of purchase using petty cash.
- 4.3.4. There will be no administration conducted by accounts staff to obtain tax rebates on petty cash purchases.
- 4.3.5. Principals and Supervisors are to submit a [Remittance Form \(Form 515-1\)](#) as required for replenishment.
