

Welcome to our school library

Welcome to the library and to our program of information literacy. Our students learn how to recognize and select appropriate resources through literature as well as online. These are fundamental skills needed for successful academic research.

Staff

Susan Hnatishin – Library Clerk

Library Hours

8:30-3:30 pm

The library is open every recess and lunch recess for scheduled classrooms.

During this time the students may utilize the “Makerspace cupboard”, sign out books, complete class work, and study. Our “Makerspace cupboard” is stocked with things like yarn, knitting loons, board games, string art, dreamcatcher kits, Twister, K’nex, Snap Circuit, Lego, etc.

Once a cycle during recess the students can utilize things like Ipads, desk top computers and laptops.

Lending Policies

- Borrowing Period 1-6 day school cycle.
- Number of sign outs:

Kindergarten’s	1 Book
Grade 1	2 Books
Grade 2 - 3	3 Books
Grade 4 - 8	4 Books
- Renewals: Students are permitted to renew books up to 3 times
- Overdue: Anola Library does not charge overdue fees for items returned, charges are incurred for lost/damages items. Borrowing privileges are suspended if a student has an outstanding overdue.
- Lost Books: Replace cost of the book.

Program Description

Our Library collection consists of both fiction and non-fiction books as well as magazines, graphic novels and computer software. We are fully automated and students can search for resources on one of our two look-up stations. All classes from K-8 participate in regularly scheduled circulation classes, as well as receive additional instruction in research, technology and multiple literacies. Students have the opportunity to learn about a variety of authors, illustrators and genres and participate in the Scholastic book fair. Students are also encouraged to spend additional time in our library for recreational reading, school work completion or to utilize the “Makerspace cupboard” throughout the year.
