

Mountain View School Division
BOARD POLICY #9 – CONTINGENCY AND SUCCESSION
PLANNING

In order to protect the Board and the school division from the sudden loss of Superintendent/CEO services, the Superintendent/CEO in consultation with Board Chair will have at least one other school division administrator familiar with Board and Superintendent/CEO issues, including the principles of policy leadership and good governance.

The Board will ensure that measures are in place to allow for the timely continuation of division services in the event of a disruption or loss of said services. A contingency plan will be monitored regularly to comply with changes within the division.
