Principal's Message

The end of school is just around the corner, but there is still lots left to do at ORS. While students and staff look forward to two months of summer they all still have year end projects and assignments to complete, reports to write and field trips and events to plan and enjoy. I think the month will go quickly and I hope to complete all of my assigned duties.

In order to prepare parents, students and the community we would like to announce a couple of personnel changes which will see two valued staff leaving the building.

After 9 years at ORS and 32 in our school division Mrs. Neabel will be retiring from teaching in Manitoba. Mrs. Neabel spent most of her career transitioning in and helping our youngest students build a solid academic foundation. Her experience and understanding of early years education will certainly be missed. We wish her all the best as she takes on a new position teaching in another Western province.

Congratulations to Debbie Howatt who is retiring after contributing to ORS as an EA for 33 years. Debbie leaves us after being an integral part of supporting students and their individual needs. Debbie could always be counted on to assist the school and learning process in any way that she could. Debbie will now become one of our go to substitutes, unless she is too busy looking after grandkids.

Final Parent Advisory Council Meeting of the year will be held on June 6 at 7 PM. Please join us to begin planning for the 2019/20 school year.
