NON-ELIGIBLE TRANSPORTATION SERVICES

Non-Eligible students are students whose primary residence falls inside the designated walk zone as determined by the Sunrise School Division and do not qualify for Manitoba Education and Training grants.

Unallocated seats on Divisional school buses may be provided for Kindergarten to Grade 8 students who do not qualify for Manitoba Education and Training grants.

Applications for unallocated seats on divisional buses are available at the Transportation Office or any divisional school and are to be submitted to the Transportation Office by **June 30th** of each year.

Please note that applications for non-eligible transportation students must be submitted each year for consideration.

Access to non-grant transportation services will be determined on an annual basis.

The following conditions apply:

1. Transportation service will be provided in accordance with the Sunrise School Division Transportation procedures.
2. Seats will be allocated on a progressive grade level basis beginning with Kindergarten.
3. Bus routes will not be altered.
4. Transportation will not be provided for those students living less than .8 kilometres from their divisionally designated school.
5. In the event of eligible students requiring transportation services and seating is not available, non-eligible student transportation services may be discontinued immediately.
6. The Division may withdraw school bus transportation from those students whose actions endanger the health or safety of others.
7. Unallocated seats are not assigned to non-eligible students until the last week of September each year.

Non-Eligible forms are available on the Divisional Website, School Office or Transportation Office
