

# September

## S.T.A.R.S

**Kindergarten** - Alana, Miller and Carter have had an awesome start to the year. They all listen and follow instructions immediately and try their best.

**Room 2a** - Avaree for using good manners and Jordy for hard work.

**Room 5** - Valour, Bree and Kai are great classroom citizens in every aspect of Anola STARS.

**Room 3** - Brooklynn for always lending a helping hand to her classmates without being asked. Mika for working hard to improve the quality of her classroom work. Keely for actively participating in classroom activities.

**Room 10** - Samantha for positive participation, offering to help her classmates, getting started at her work and staying on task. Way to be a leader Sam! Justine for a great start to the year. She is participating in all class activities! Way to go! Owen for being kind and helpful-he's always willing to help a classmate in need and he's volunteering as a lunch monitor and chair helper this year. Owen has a positive attitude and a friendly smile.

**Room 8** - Jadyynn gives 110% in everything she does. She is always on task, paying attention and actively thinking and learning. Way to go Jadyynn! Savi pursues many interests outside of the classroom that he brings to school to share with the rest of us. Thanks for sharing your passions with the world, Savi!

**Room 15-** Kiera, Amarissa, Cheyenne and Cameron. These four STARS have taken pride in the work they produce and have pushed their classmates to work to their potential. They have been leaders in room 15 by showing their peers what good work and work ethic looks like. They will continue to shine brightly all year.

**Room 13** - Our star of the month is an eager volunteer who is willing to take risks with learning and willingly partner with any member of our classroom community. She volunteers to do all sorts of things at Anola school from reading the announcements, playing volleyball, helping out with cross-country and being a very important part of the yearbook team this year. All this while doing exceptional learning in the classroom while independently mentoring her peers. Congrats to Marnie for being Room 13s September STAR of the Month.

**Room 14** - In the month of September Braxton has shown all of the qualities of an Anola STAR. Braxton has been a positive role model to others in class. He has shown great academic ability and has also proven to be a great member of our class team. Keep it up Braxton!
