David Hoy Elementary News

Diversity · Respect · Attitude · Goals · Opportunities · Nurturing · Spirit

The Staff of David Hoy would like to wish everyone a lovely long weekend. We hope you all get an opportunity to get outside and enjoy our beautiful communities.

Next week we have Build an Orca visiting us on Tuesday. Students in grades 2-4 will get the opportunity to assemble a real Orca skeleton in our gym. Our grade 4 classes have been working hard on raising awareness around Orcas. They presented at our assembly today and have learned a lot of information about Orcas. They are currently raising money to support Orca survival.

BC Wildfire is sending a team to our school on Wednesday. They will be talking to our Grade 2-4 students around the topic of fire safety and family and community preparation.

On Friday May 24th we are hosting the District Primary Fun run for all District students from kg-3. The runs begin at 11:00 and are usually done by 12:30. Please come to FSJSS to cheer on our students.

Have a great weekend.

Mrs. Burck

Grade 7 Fundraiser

Thank you to everyone who supported our Flower Fundraiser. If you haven't picked up your plants please pick them up.

Standing Up for Wildlife

The Grade 4's presented an assembly about orcas, and our Southern Resident Killer Whales, in particular. Their population is declining, due to a number of factors. Lack of salmon is a big problem. The Grade 4's have raised money this year, and sent some of it to support a salmon hatchery on Vancouver Island. On Wednesday, we are having our Jewelry Sale.

Bracelets \$7 Necklaces \$10 Keyrings \$5

Large Orca Stuffies \$15, Small \$10

All profits go to the Four Mile Salmon Hatchery in Port Renfrew. Thanks for your support and love of wildlife!
