Summer School Expectations

- Students who are taking an on-line course must log into their course on Thursday July 2nd, 2020.
- Students must comply with the electronic Code of Conduct for the London District Catholic School Board.
- Final examinations are compulsory for onsite credit courses and will be written on Monday July 27th. There are no exceptions to this policy. Exam review will be held on Tuesday July 28th from 8 -10 a.m.**
- Review of your new credit on-line final assessments and mark can be arranged for the morning of Tuesday July 28th, 2020. Final assessment mark and your final course mark for online courses will be emailed to students.
- Classes are filled on a first-come, first-served basis. If enrolment is low, the class will be cancelled.
- Students who are new to e-learning can review the online resources on the summer school web page (cfl.ldc.sb.ca) or contact the CFL summer school office if they experience any difficulty logging into their courses.
- On-line teachers will hold office hours on site one day a week during summer school in consultation with on-site principal. This will be communicated to you by your teacher.
- Students enrolled in an online course can access their learning at any time of day. All course work must be completed by the registered student.
- Students at summer school must comply with the Code of Conduct for the London District Catholic School Board which includes the policy for "Personal Electronic Devices". Appropriate dress and footwear are expected.

I verify that the summer school expectations & requirements have been reviewed with the student and the information on this form is accurate.

Student Signature: _____ Parent Signature: _____

Principal Signature or Guidance Counsellor Signature: _____
(For Students in grade 8) (For Students in high school)

Note - Classes will run only if there is sufficient enrollment. Students will be contacted if a course is cancelled. Classes will be filled on a first-come, first-served basis. The receiving date will be the Centre's method of determining registration priority and class assignment.
