

WISE Kid-Netic Energy Science & Engineering day camp is coming to Dauphin again this summer!

When: **July 22-26, 2019**

Where: **Whitmore School**

WISE Kid-Netic Energy will be in Dauphin soon! Spots are filling fast, so this may be your last chance to register for this science and engineering day camp. Campers will explore a variety of STEM (science, technology, engineering and math) topics including Chemistry, Agriculture, Material Science, Natural Disasters and Coding. Come and join the fun!

There are a total of **20 camper spots** available for the week; open to youth **ages 9 – 12** (by December 31, 2019). Registration is **\$130** for the one-week camp. Registration is available online at www.wisekidneticenergy.ca.

Special thanks to Mountain View School Division for their continued support.
