# David Hoy Elementary News

Diversity · Respect · Attitude · Goals · Opportunities · Nurturing · Spirit

This week we said goodbye and wished Mrs. Sanghera happy adventures in her retirement. Mrs. Sanghera worked at David Hoy Elementary for the last 30 years. She worked in a variety of positions at our school, and her kindness and commitment to helping our youngest students learn to read will be missed.

A group of Wildfire fighters visited our school this week and gave presentations on fire safety to our grade 2-4 classes. Thank you Daniel Goff for arranging this for our school.

We were also lucky to be visited by "Build an Orca." Our students had the opportunity to learn more about the endangered Orcas and also what we can do to help them survive.

Over 600 students participated in the District Fun Run today! A huge thank you to Mrs. Waddell and Mr. Bennison for organizing this event. Everything ran smoothly and it was a great day. Musi cho.

Next week our Grade 7 class is heading out to the John Prince Research Forest on Monday, and our Track and Field team will be heading to Fraser Lake on Wednesday.

Tonight our music video will be showing before the 5 o'clock and 7 o'clock showings of How to Train your Dragon. Thank you to Kenny Gallop & Andrew Vogelsang for taking care of the technical side of showing our videos tonight.

Have a great weekend,  
Mrs. Burck
