

New Opportunity for your Grade 10-12 Student!

Inspire Entrepreneurial Thinking

YELL – Entrepreneurship 12 Class (4 credits)

School District #91, in partnership with YELL Canada, is excited to provide a new program that will help your student with job readiness skills, university preparation and the tools to start their own business! This three-part course includes a **Business Accelerator** (teacher taught, guest speakers, field trips); **Idea Incubator** (student led with mentor support) and **Venture Challenge** (Business pitch competition).

By joining this program, your student will...

- ✓ Gain confidence in finding or creating a career that aligns with their purpose and passion
- ✓ Have an unique experience for their resume or university application
- ✓ Be more aware of a career and future within your community
- ✓ Meet local leaders and build a personal network of contacts
- ✓ Compete in a local and provincial competition and gain valuable presentation skills
- ✓ Learn how to turn their ideas into reality
- ✓ Be better prepared for a career and university
- ✓ Be more curious and confident
- ✓ Become more resilient in the face of failure
- ✓ Become a more engaged and active citizen
- ✓ Experience working on a team, connecting with students across the District
- ✓ **Encourage your student to join today!**

Every Wednesday,
3:30-6:30pm,
September – May at
your student's
school!

*Transportation can
be arranged if
needed*
