

# Centennial School School Goals 2018 - 2019

## Numeracy

- We will improve all students' numeracy skills by targeting individual needs.

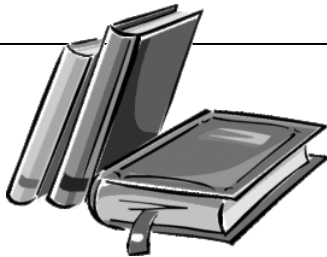

## Active Learning

- We will increase our understanding and use of outdoor learning spaces and indigenous perspectives in order to engage all of our students.

## Literacy

- We will develop our students' communication and comprehension skills.

## Social Responsibility

- We will all model behaviour that demonstrates care about ourselves, others, and the world.
