March 9, 2020

Dear Living Sky School Division families:

Please be advised that the Teachers Bargaining Committee announced restriction of services this morning. Teachers across Saskatchewan, including Living Sky School Division, will be implementing sanctions beginning Thursday, March 12, 2020 until further notice.

Sanction Parameters:

- Teachers will report to school and provide professional service no more than 15 minutes prior to the start of the school day and not later than 15 minutes after the conclusion of the school day.
- Teachers will continue to provide student supervision such as recess or bus supervision within the timeframe specified above.
- There will be no voluntary or extra-curricular services during the sanction period.

This is how the above may impact your family:

- There will be no extra-curricular activities taking place in all Living Sky schools during job sanctions. Please contact your school if you need clarification on whether an activity is considered extra-curricular.
- We are working on adjusting our bus arrival and departure times, when necessary. There will be further communication regarding any changes.
- If you drive your children to school, please ensure you do not drop them off earlier than 15 minutes before school starts.
- Lunch hour supervision may be affected. If your child is able to go home for lunch, please make arrangements for that to happen.
- Student-Led Conferences will continue as scheduled.

Our intention at Living Sky SD is to do everything possible to keep everyone informed, so that together we can provide for the safety and well-being of children during the period of job action.

We will continue to provide updates to Living Sky SD families through letters. The news media will be notified and we will utilize our website and social media channels to inform the public of the division's plan during job action.

Thank you for your understanding and for your support of our division and teachers. Should you have any questions or concerns, please contact Living Sky SD Central Office at 306-937-7702.

Sincerely,

Ronna Pethick, Board Chair

Brenda Vickers, Director of Education
